Bounty Land Bill. This act being one in which a great many persons

are interested, we insert a copy in advance of the official publication, as follows .- Nat. Intel.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assambled. That each of the surviving, or the widow or minor children of deceased commissioned or noncommissioned officers, musicians, or privates, whether of regulars, volunteers, rangers, or militia, who performed military service in any regiment, company, or detachment in the service of the U. States in the war with Great Britain, declared by the United States on the 18th day of June, 1812, or in any of the Indian wars'since 1790, and each of the commissioned officers who was engaged in the military service of the United State in the war with Mexico. shall be entitled to lands, as follows: Those who engaged to serve twelve months, or during the war, and actually served nine months, shall receive one hundred and sixty acres; and those who engaged to serve six months, and actually served four months, shall receive eighty acres; and those who engaged to serve for any, or an indefinite period, and actually served one month, shall receive forty acres: Prowided, That wherever any officer or soldier was honorably discharged in consequence of disability in the service before the expiration of his period of service. he shall receive the amount to which he would have been entitled if he had served the full period for which he had engaged to serve: Provided, The person so having been in service shall not receive said lands, or any part thereof, if it shall appear by the muster-rolls of his regiment or corps that he deserted, or was dishonorably discharged from service, or if he has received, or is entitled to any military land bounty under any act of Congress heretore passed. SEC. 2. And be it further enacted, &c., That the

period during which any officer or soldier may have remained in captivity with the enemy shall be estimated and added to the period of his actual service; and the person so detained in captivity shall receive land under the provisions of this act in the same manner that he would be entitled, in case he had entered the service for the whole term made up by districts therein, and to modify the existing collections. Whenever a farmer duties required of you, by your God and country. ved during such term.

Sec. 3. And be it further enacted, &c., That each commissioned and non-commissioned officer, musician, and private, for whom provision is made by the first section hereof, shall receive a certificate or warrant from the Department of the Interior for the quantity of land to which may be located by the warrantee, or his heirs at law, at any land office of the United States, in one body, and in conformity to the legal sub-divisions of the public lands, upon any of the public lands in such district then subject to private patent shall be issued therefor. In the event of the fortifications. death of any commissioned or non-commissioned officer, musician, or private, prior or subsequent to the passage of this act, who shall have served as aforesaid, and who shall not have received bounty land for said services, a like certificate or warrant shall be issued in favor and inure to the benefit of his widof land in case her husband was killed in battle, but United States." not to her heirs, provided she is unmarried at the date of her application: Provided, further, That no and soldiers who have been engaged in the military cake is eaten by millions, a description of bread no but shell it. Bounty Land Bill.

The passage of the bill granting bounty land to officers and soldiers of the last war with Great Britain and the several Indian wars. is giving rise to an unprecedented number of applications to the Third Auditor's Office for information. It is deemed advisable to state that copies of the army rolls cannot be furnished from this office for various reasons, one of which is sufficient-namely, the utter impractica-If one agent has a right to copies of the rolls, so
